Unanswered

Question 5**0 / 1 pts**

You are the CEO of a company and are looking to outsource a majority of a large project to get access to critical skills at a cheaper price. What should you do?

☐

Never outsource, the cons outweigh the pros

☐

Only certain tasks can be outsourced and you should check the list.

☐

Outsource to the company that offers the best deal

☐

Delegate the decision to someone in the organisation and then use that person as an escape goat, if it all goes wrong. Be sure to take the credit if it is a success!

Incorrect Answer

☐

Consider the tasks that you are outsourcing and the impact to the business and then make an educated decision.
