What is conflict resolution at work?

Disagreeing on approach, plan or amount of work. Technical solution divergence

How is conflict resolution at work different from social family conflict resolution?

Dynamics have to stay professional, on point and not be made into personal attacks. Sometimes in both cases you have to defer to higher power (parent or manager)

Have you heard of mediation and do you know what it means?

Mediation the process where by a third party, with no preconceived alignment comes in to help resolve the issue
